OFFICIAL NOTTER

In order to invest in the institute and attract more Indian students, a special office of the Fergana Public Health Medical Institute was established in Delhi and began its work. Here you can find detailed information about the institute, the educational process, the conditions created for foreign students and the benefits and opportunities provided to them. The information is provided directly by a representative of the institute.

Office adress is Office No. 10-C, 10th Floor, Gopala Tower, Govind Lal Sikka Marg, Prasad Nagar, New Delhi, Delhi 110008, India

Head of the international department

N.Xaydarova
